Dear valued Shareholders, Customers and Friends:

Evolve Bancorp, Inc. is pleased to announce excellent financial results and continued growth for the first quarter of 2021. Net income for the three months ended March 31, 2021 was \$4.3 million compared to \$907,372 for the same period in 2020. Tangible book value per share increased 8.5% to \$11.00 at March 31, 2021 from \$10.14 at December 31, 2020.

Net interest income for the first quarter of 2021 increased to \$6.3 million from \$4.7 million for the same period of 2020 as a result of loan growth and reduced deposit costs. Noninterest income increased 103.0% to \$25.8 million for the three months ended March 31, 2021 compared to \$12.7 million for the same period in 2020. The growth is the result of a higher volume of mortgage loans originated and sold by our Mortgage Division and the continued growth in revenue from our Payment Processing Division related to ACH, debit card/credit card sponsorship, card issuance, deposit, and technology services. During the first quarter of 2021, the Mortgage Division closed \$533.7 million of mortgage loans compared to \$174.7 million of mortgage loans for the same period of the prior year. Our Payment Processing Division processed 9.9 million ACH transactions during the three months ended March 31, 2021 compared to 5.5 million transactions for the same period in 2020.

Total assets declined 3.0% to \$670.9 million at March 31, 2021 from \$691.6 million at December 31, 2020. The decline was primarily the result of a decrease in mortgage loans held for sale of \$23.4 million. Total deposits decreased 3.4% to \$496.8 million at March 31, 2021 from \$514.3 million at December 31, 2020.

Evolve Bank & Trust's return on Average Assets was 2.45% for the quarter ended March 31, 2021 compared to .74% for the same period in 2020. Return on Average Equity was 29.76% for the quarter ended March 31, 2021 compared to 7.60% for the same period in 2020, and regulatory capital, (Tier 1 leverage ratio), at March 31, 2021 was 9.01%.
